PUBLIC NOTICE

14 January 2025

Sub: Updating Aadhar details of aspirants for NEET (UG) - 2025 Examination

National Testing Agency has been entrusted the responsibility of conducting the National Eligibility Cum Entrance Test (UG). The National Testing Agency (NTA) aims to ensure a seamless and transparent process for all aspirants appearing for the NEET (UG) 2025 examination.

As per instructions issued by Dept of Higher Education, Ministry of Education, integration of APAAR ID (Automated Permanent Academic Account Registry) with NEET (UG) – 2025 is to be ensured. To support this objective, candidates are encouraged to use their APAAR ID as well as Aadhaar-based authentication during the application and examination process. Updated credentials are highly recommended for ease of verification, registration process and to enhance the integrity of the examination process.

NEET (UG) – 2025 registration process shall be starting in due course of time.

Candidates are advised to update their credentials in Aadhar, preferably as per their 10th Marksheet/Passing Certificate. Also, ensure your Aadhaar is linked with a valid mobile number for OTP-based authentication.

Why Aadhar is Important

Simplified Application Process	Using Aadhaar helps in auto-populating details, reducing manual errors during application submission.
Enhanced Examination Efficiency	With advancements in Aadhaar-based technology, such as the Face Authentication Method introduced by UIDAI, candidates can now benefit from faster identity verification tools
Faster Attendance Verification	Facial recognition enables quicker and more accurate identity verification, ensuring smooth entry into the exam hall.
Welfare of Candidates	Aadhaar authentication simplifies processes and ensures candidates are uniquely identified, safeguarding their interests throughout the examination lifecycle.
What Candidates Should Do:	Update Aadhaar Credentials: Aspirants are advised to ensure that their Aadhaar details (especially their Name and Date of Birth (as per 10 th Passing certificate)), including facial recognition data, are up to date for an optimal experience during registration process and verification processes. This can be done at the nearest Aadhaar Enrollment/Update Center.

For any clarification, candidates may call at NTA's helpdesk on 011-40759000 or mail us at neetug2025@nta.ac.in.
